We did not receive enough on-line orders, so shirts and tote bags will now need to be ordered from Custom Ink as a group order.

Those who already ordered items from Custom Ink have received refunds. They will need to reorder the items directly from the Dulcimer Association of Albany, as should anyone else who wishes to order a shirt or a tote bag.

Make checks out to Dulcimer Association of Albany, and send with your order to:  
Lori Keddell, 119 Co. Hwy 107, Johnstown, NY 12095

(Don't forget to include sales tax – 8% for the tote bags, and 4% for the shirts.)

**The deadline for ordering shirts and tote bags is now Feb. 15.**

Since it is unlikely that orders sent via US mail will arrive by the above deadline, please send an email message to Lori at [Lark119@Citlink.net](mailto:Lark119@Citlink.net) to let us know what you are ordering, and that your order and check is on its way.

Shirts and tote bags are expected to be delivered by March 2, and will be distributed at the festival. If you can not be at the festival, you can have someone pick it up for you, or we can mail it to you for an additional fee to cover shipping.

Sweatshirts are no longer available – sorry. 😞
