Dwain Wilder Bear Meadow Appalachian Dulcimers

Bear Meadow dulcimers are built on commission, specifically voiced for each client. From time to time I will have a few display models which do not match any commission, and so can be sold. Please see me during the festival for more details. Or if you're unable to attend, email me at dwain@bearmeadow.com, and please mention "dulcimer festival" in the subject line <https://www.bearmeadow.com/>
